Nepes Sopyyev

Full Stack Developer | Ashgabat, Turkmenistan
Vue 3 - TypeScript - Node.js - Express - Prisma - Kotlin - AI / RAG

PLACEHOLDER FILE

This is a placeholder PDF that ships with the portfolio template.
Replace public/cv/Nepes-Sopyyev-CV.pdf with your real CV -
the Download CV button reads that exact path from src/config/site.ts
and stays disabled automatically if the file is missing.

Projects

- Melhem AI - AI-powered digital healthcare platform (Vue 3, Express, Prisma, RAG)
